

Bluestone's Wish List

The following is a list of items that would contribute directly to the way Bluestone is able to facilitate and carry out the wonderful and important ministry of Christian Hospitality through Retreats, Conferences, and Summer Youth Camps.

Items to donate or contribute \$\$\$ toward:

Sitting Area Furniture Couches and Chairs should be "woody" -- leather, drab/earthy, subtle patterns. We also need wooden (varnished) end tables and coffee tables.

We would prefer new furniture that is of durable and sturdy quality. Please donate money toward a total purchase price. We will potentially accept used furniture, but only after it has passed our inspection.

Furniture suites should be matching, or of complimentary design. A suite should include a minimum of three pieces -- at least one full size couch, and then a combination of love seats and arm chairs.

Oriental Style Area Rugs (or custom carpets) Sized 12 x 15 feet for our larger meeting spaces, and 9 x 12 feet for our smaller living spaces. For custom carpets, please donate money.

Chapel Conference Chairs Costs are about \$25.00 each depending upon quantity of order. Bluestone could use a minimum of 40 chairs. 200 would be ideal.
